---

Please be mindful of leaks. From the meter to the house is responsibility of the landowner. Report any leaks near or around the meter and/or our service lines at (936)824-2865. Even a small leak can be wasteful and expensive.

The chart below shows an example of how many gallons are lost at 70 lbs of pressure.

<u>Leak Size</u>	<u>Gallons Lost Per Day</u>	<u>Gallons Lost Per Month</u>
● 1/16"	1,065	31,950
● 1/8"	4,176	125,280
● 1/4"	16,992	509,760

The smallest leak could add more than \$200 to your monthly bill and the largest shown over \$4,000!!
