Request for Service Discontinuance

I _____, hereby request that my water meter for account number _____ located at _____, be disconnected from Angelina Water Supply Corporation's service and that my membership fee be refunded to me. I understand that, if I should ever want my service reinstated, I may have to reapply for service as a new member and I may have to pay all costs as indicated in a the current copy of the Water Supply Corporation Tariff. Future ability to provide service will be dependent upon system capacity, which I understand, may be limited and may require capital improvements to deliver adequate service. I also understand that these improvements will be at my cost. I further represent to the Corporation that my spouse joins me in this request and I am authorized to execute this Request for Service Discontinuance on behalf of my spouse.
